

A vibrant, stylized illustration of a window sill. In the center, a pair of brown leather boots sits on the sill, with a small white dog sitting inside the left boot. To the left of the boots are several potted plants: two with pink flowers and one with yellow flowers. A blue ball of yarn and a white plate are also on the sill. To the right, a pair of floral gloves and a coiled orange cord are visible. In the foreground, three pairs of shoes are shown: a pair of yellow rain boots on the left, a pair of teal rain boots in the center, and a pair of green polka-dot rain boots on the right. The background shows a window with a view of a green landscape with yellow flowers and a bee. A large green plant is on the right side of the window.

Boots are Best for...

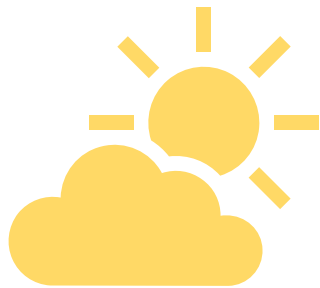

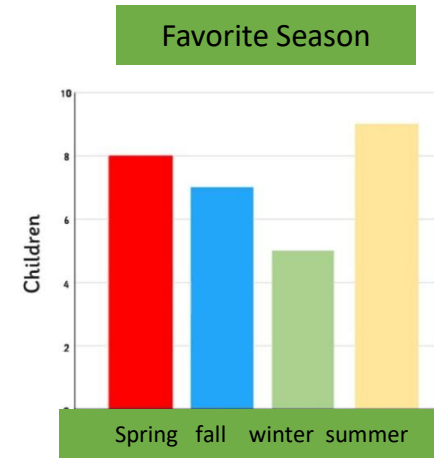

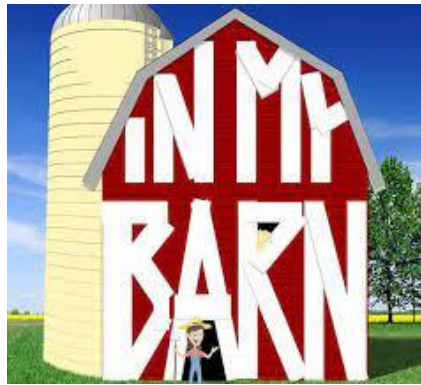

Poem or Paragraph for Guessing

- Have students silently pick a boot to write about.
- Write a poem or a paragraph about the boot or in the voice of the boot, but don't give away the kind of boot it is.
- Have students read to their partner and guess the boot!
