OFFICIAL

HOW IT WORKS

As you visit participating farms, ask the farmer to stamp your passport when you purchase an item. The more stamps you receive, the bigger the prize package!

Keep in mind, farmers are at the mercy of the weather. Be sure to call or check the farm website/social media channels before visiting to make sure the farm store is open.

1. Passports must be stamped March 15, 2025 – Nov. 30, 2025.
2. One passport allowed per household.
3. You **MUST** be present to get a stamp. If anyone takes an extra passport with them for a stamp, the extra passport will not be stamped.
4. Only one stamp per farm.
5. The purchase of at least one product is required to earn a stamp at each farm. Farmers are not allowed to give a stamp without the customer purchasing an item.
6. Deadline to submit the passport is Dec. 5, 2025.
Don't worry, we'll return it to you with your prize(s). The purpose of mailing in your passport is to verify farm stamps. Therefore, mail in your whole passport booklet.
7. Respect farmers' privacy and farm boundaries.

THINGS TO KEEP IN MIND

- As you visit, share your journey with #ArkFarmTrail25 #ArkFT25 #ArkAg #ArFB
- The description of each farm is based on the primary things they grow. The farmers may have more to offer than what is listed in the passport.
- All Arkansas Farm Bureau members receive one extra stamp credit for being members after submission. **Not a member? Join today!**

Tips

- See farmer listings inside your passport for expected operating dates/times of each farm store. Again, you should ALWAYS verify the farm store is open before hitting the road.
- Look at the map at the front of your passport before starting any road trip to see which farms are in the direction you're going.
- Be sure to review the "Icon Legend" to know what products each farm offers and accepted methods of payment.
