HOW IT WORKS

As you visit participating farms, ask the farmer to stamp your passport when you purchase an item. The more stamps you receive, the bigger the prize package!

Keep in mind, farmers are at the mercy of the weather. Be sure to call or check the farm website or social media channels before visiting to make sure the farm store is open.

1. Passports must be stamped March 21, 2026 – Nov. 27, 2026.
2. One passport allowed per household.
3. You **MUST** be present to get a stamp. If anyone takes an extra passport with them for a stamp, the extra passport will not be stamped.
4. Only one stamp per farm.
5. The purchase of at least one product is required to earn a stamp at each farm. Farmers are not allowed to give a stamp without the customer purchasing an item.
6. Deadline to submit the passport is Dec. 4, 2026. **PASSPORTS POSTMARKED AFTER DEC. 4 WILL NOT BE ACCEPTED.** *Don't worry, we'll return it to you with your prize(s). The purpose of mailing in your passport is to verify farm stamps. Therefore, mail in your whole passport booklet.*
7. Respect farmers' privacy and farm boundaries.

THINGS TO KEEP IN MIND

- As you visit, share your journey with #ArkFarmTrail26 #ArkFT26 #ArkAg #ArFB
- The description of each farm is based on the primary things they grow. The farms often have more to offer than what is listed in the passport.

Lamb by the half or whole is available by pre-order, seasonally. Farm tours and farm classes are available by appointment. For those that would like a quiet farm getaway and more time to explore all that Stone County has to offer, you're invited to book a few nights or a week at the farm.
