

BreakOut Boxes

Clues from Grab and Go:

Clue 1: One Medium Box that can be locked

Lock with 4 Numbers set to 7231

Clue 2: One Box that can be locked

Lock with 4 color wheel and 4 numbers

Set to 1453

There are 5 choices to choose from. They will not use question 2. They will pick the modern picture on each clue then look at the color of their answer. That is how they will choose Question one answer is Red so they will turn red to #1(Question 1). Skip 2, Question 3 is Blue so 3 will be the blue ring and so forth

Clue 3: One Box that can be locked

Lock with 4 letters set to RICE

Clue 4: One Box that can be lock

Lock set to WATER if you can find. Unfortunately my lock didn't have a W so I added a clue that was Solar but my lock didn't have a R in right spot so they had a guess card that said SOLA_

You can add candy to each box or the clues to the next puzzle. Include playing cards with messages and tips written in invisible ink and include a UV flashlight. All available on amazon. Also, can use a wheel cipher or Morse Code. Anything goes! Think Escape Room.
